

Get Outside!

It's in Our Nature

BC's 2nd Regional Children, Families and Nature Forum
March 5-8, 2009

Our children are less connected to the natural world than ever before.

The simple act of playing in nature means healthier and happier children and families.

Join us March 5-8, 2009 to learn, share and contribute to developing a strategy and action plan to forge links for positive environmental choices for children and their families to ... Get Outside!
