

Narelle from Natured Kids can attend your playgroup, pre school, childcare centre or school and provide children with opportunities to engage in environmental education via nature play. All materials are provided.

Possible topics:

* 'Our fantastic feathered friends'

Look for nests constructed out of the most amazing materials
Where do birds make their homes? Can you make one too?

* Make pixi or fairy shelters for our magical friends.

* Go on a treasure hunt in nature and make some bush potpourri from natural collected items, complete with magical fairy dust!

* (Many more interesting topics available)

****To book, contact Narelle with enquiries about possible dates. Price on application.****
